

Oracle AS Installation & Configuration

Service Offer

OAS Installation & Configuration for Forms & Reports

ORACLE CERTIFIED ADVANTAGE
PARTNER

This service gives you the opportunity to:

► **Complete installation, configuration & deployment of the Oracle Application Server (OAS) for your Oracle Forms and Reports environment.**

It is not always easy to implement new hardware and software. We can provide support when installing and configuring the Oracle Application Server (OAS) and get your Oracle Forms and Reports applications up and running on the OAS.

Contents: In this workshop, we shall install the Oracle Application Server together with your developers, configure it and make sure it is used optimally for your Oracle Forms and Reports applications. We can give you the skills to tackle the following subjects::

- Installation of the Oracle Application Server (OAS)
- Configuration of the Oracle Application Server (OAS)
- Deployment of your Forms environment on the OAS

Aims:

- OAS installation and configuration
- Using Forms and Reports on the OAS

Duration: 2 Days

Documentation: The workshop documents and results will be given to you after completing the workshop.

Target group: Oracle Application Server Administrators

Prerequisites: Knowledge of Oracle Forms

Scope of offer: 3-day workshop with your developers at your company; Installation and configuration of the OAS, including Deployment of your Forms and Reports Applications; not including travelling and food/ accommodation expenses.

Install your Application Server with all the important advantages for you.

- ☑ Awareness of the effects of installation
- ☑ options for utilizing the OAS rapidly and optimally
- ☑ Avoiding starting difficulties and problems in the installation, configuration and deployment phase
- ☑ Best practice for configuring the environment
